

TASK 8: Simple Sales Dashboard Design

- **North Region leads in Sales** with 1.37M, followed closely by South (1.26M), making these two regions top performers.
- **Clothing and Electronics** are the highest-selling categories, contributing to over 50% of total sales.
- **October and November** are the best-performing months in terms of sales, suggesting a seasonal trend or promotional impact.
- While total quantity sold and sales remain consistent, the **target sales** of 10.04M have only reached 5.02M, indicating a 50% gap.
